

33rd Meeting

Ontario Association of Amputee Care Conference

Hosted by

- *Amputee Rehabilitation Team* -

Friday, May 5 – Saturday, May 6, 2017

Holiday Inn Toronto (Yorkdale)

OAAC2017@westpark.org

The Cause

The Ontario Association for Amputee Care (OAAC) was officially created in 1977, through the efforts of a core group of health professionals dedicated to providing a high quality of care to the amputation population. This biannual conference creates a unique forum for its members to share information, clinical experience and present amputee research authored by our members. Attendees come from across Ontario and Canada to attend this conference.

The Opportunity

West Park will host the OAAC Conference at the Holiday Inn (Toronto) Yorkdale. The West Park busy prosthetic lab serves the greatest number of patients in Ontario. West Park's amputee rehab team's research helps to empower patients with the skills, knowledge and confidence to lead productive and independent lives at home.

Your support will help promote and disseminate amputee research to other teams in Ontario and across Canada.

A variety of sponsorship levels are available which can be tailored to suit your marketing and communications strategy.
